

# Improving Project Delivery and Resource Management in Oil and Gas Services

*Aberdeen: FREE morning seminar*

**Spaces are limited; contact us today to guarantee your seat.**

- ⇒ Improve resource utilisation
- ⇒ Reduction in contractor and project delivery costs
- ⇒ Improving time to market by reduction in project time and cost
- ⇒ Effective resourcing by skill, qualification and location
- ⇒ Improved decision making with access to real time information

*Many problems arise with complex systems especially with a mixed resource pool composed of large conglomerates and small sub-contractors in the same project.*

Attend the seminar and find out how Skanska has delivered 10% in efficiency gains and saved millions in the process as well as delivering on time and to budget.

## Key Note Speakers:

### Professor Gerry Musgrave

*Gerry Musgrave has held senior positions on leading edge engineering projects in software and hardware. His experience is broad; from developing an innovative micro compressor for the gas industry, to being a board member of Siemens PLC for 10 years.*

*Find out how Gerry was able to solve issues and deliver efficiency gains through his experience working with Siemens plc, as well as how he has improved efficiencies through proven Project Management techniques.*

### Geoff Reiss M.Phil. B.Sc. Honorary Fellow - Association for Project Management

*Geoff Reiss has worked with a wide range of major organisations to improve their ability to deliver programmes and projects successfully including; Lloyds of London; NatWest, Standard Chartered, Fortis and Barclays Banks, a number of local government organisations, British Aerospace, Barco, Panasonic and many others both in the UK and elsewhere.*

*Geoff Reiss is an industry guru in project management with over 30 years' experience - He's author of several books including Project Management Demystified and One Project Too Many. Geoff will deliver a speech on the latest technology and share his experiences in working with a wide range of clients.*

**DATE: 12/10/11**

**TIME: 10AM  
(ONLY 2 HOURS)**

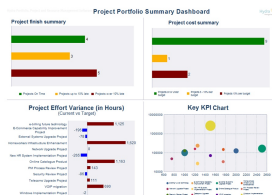

**LOCATION: ABERDEEN**
